LUCOH is a leading manufacturer and supplier of portable battery industrial light, solar street light and etc. In the past 10 years, LUCOH has been providing the very best products at the most challenging job-sites. And we have built our reputation on providing customers with safe, reliable and dependable lighting in the high demanding applications.

As LUCOH is famous for the portable battery industrial lighting brand in EU, Japan and North U.S market. At 2021, We removed some products line from LUCOH, such as solar lighting system, industrial light, street light, portable power and intelligent lighting system and create a new brand of SOLARACE. And also built a new factory cover 30,000 square meters in Ningbo area to enlarge our facility. We think with the effort with our business partner, SOLARACE also will be professional brand for solar system, portable power, home storage power and intelligent lighting and power system in the future.
